John Maas, Courtyard Collectibles, Danbury, CT.

This publication is designed to guide comics collectors in the most current comics values. It is a tool along with other fine publications to assist collectors to enjoy the hobby. Also useful are *The Comic Book Price Guide* by Robert Overstreet and *The Comics Buyer's Guide* by Krause Publications.

The comics values listed are what a dealer will generally ask. Depending on a dealer's needs and condition of the comics, dealers will pay around 50 percent of these values for major and hot titles, and 30 percent or less for minor comics. These guidelines will vary from dealer to dealer and as to location.

Condition of Comics

MINT- A perfect comic in every way.

NEAR MINT- A nearly perfect comic. Cover shows barely perceptible signs of wear. Tight spine with minor printing defects acceptable.

VERY FINE- Beginning signs of wear. Slight creases at staples, some loss of gloss but attractive.

FINE- A worn cover but clean. Stress lines around staples and more rounded corners.

VERY GOOD- A well read book. Minor markings, discoloration. Heavier stress lines around staples with minor tears or corner creases and spine rolling.

GOOD- A very worn comic with creases, minor tears, cover flaking appearant. No tape.

FAIR- Slightly damaged cover, badly rolled spine, cover flaking and possibly corners gone. Tears and tape are possible.

all comics listed in this guide are in near mint condition

Characters represented in this issue are copyright respectively by D.C.Comics, Marvel Comics Group, First Comics, Eclipse Comics, Comico, Aardvark-Vanaheim, WaRP Graphics, Eternity, Harrier, Slave Labor Graphics, Kitchen Sink Comix, Tru Studios. Top 100 List copyright Diamond Distributors.

FUTURE PICKS

•The Millenium craze is certainly healthy for comics. One feature of Millenium is that it's a weekly, so this fans the blaze. It has overshadowed fall of the Mutants and certainly captured the hearts of all super-hero aficionados. The fact that DC anticipated the high demand has resulted in dealers and their customers alike being able to have all crossovers in the series.

•X-Factor is reported as a hot back issue seller. Titles one through ten being a little slower than more recent ones, especially the Simonson titles. Collectors find early issues more prevalent as early on dealers tended to overorder; after 10 it seems dealers reduced their orders as the title was not selling. Now it's a hot title and dealers don't have them. Watch the values - a classic example!

•Shop owners report that black and white independent comics are between the devil and the deep blue sea. What ever the owners seem to order doesn't sell and when they don't order a title customers come in and ask for it. We hear shop owners are tearing their hair out. But wait, we now hear cheers from convention dealers saying that 60 per cent of their con business is in independents. Can we be hearing it right? Yes! It becomes apparent that collectors who seek independents go to cons and find their wants there. The common utterance at cons today is "Gee, I never saw this at my regular store."

•Doom Patrol cancelled and gone! Don't you believe it. Demand is reported very high on all back issues of Doom Patrol. Some dealers say that prices are doubling. With the stock market as it is, it's a nice thought.

•Cerebus is now becomming the best selling black and white for back issues, and some dealers say it's demand is greater even than Marvel and DC titles, yes, even X-Men. Some retailers would report "No way" but the question would be to them "Do you have a selection of Cerebus back issues to sell?" Collectors report they can't get the last twelve issues in any one shop, yes, spotty to say the least. We aren't talking about older issues here. They sell very fast when available, many dealers report. Prices? Watch them. The true sleeper now in the Cerebus run is the gap issue 51, not included in any of the reprint volumes. This has been getting as much as $15.00 and is rising.

•Gladstone reprints of the old Disney comics are gaining increasing recognition in the marketplace. Complete with the built-in respectibility of Carl Barks original 1950's art, these issues are selling for higher prices than most other independent issues. New issues faithfully written and executed by Don Rosa also strengthen the series. A sleeper no longer.
